

New Non-Fiction (with GREAT sub-titles!) in the Fairport Public Library's
Children's Room:

j551.462 BUR

Tracking Trash: Flotsam, Jetsam and the Science of Ocean Motion

When hundreds of Nike sneakers washed up on a beach near Seattle, scientist Curt Ebbesmeyer saw this as an opportunity to conduct the greatest oceanographic drift experiment of all time.

j599.527 LOU

Whaling Season: A Year in the Life of an Arctic Whale Scientist

The bowhead whale is the essential to a community of Inupiaq Eskimos in Alaska, and scientist John Craighead George lives with and studies both the whales and the people of that community in this fascinating book.

j608 BAR

The Day-Glo Brothers: The True Story of Bob and Joe Switzer's Bright Ideas and Brand-New Colors

Those crazy day-glo colors of orange, yellow, pink and were green were invented by two brothers. One brother wanted to be in show business and the other wanted to be a doctor, but, instead, they became very unusual scientists.

j811.6 RUD

A Whiff of Pine, a Hint of Skunk: A Forest of Poems

Do you like short, funny poems with entertaining illustrations? If you do, then this is the book for you!
