Storytime at the Fairport Public Library

A Social Story about Going to Storytime
This is the entrance to the Community Room.

When I go to storytime I will walk to the Community Room. There may already be kids in the room waiting for storytime to begin. I will also see the librarians. They will ask my name and give me a nametag. I can decide if I want to wear it on my shirt.
Storytime will begin soon.

I will sit down with my grown-up and wait for storytime. I may hear music playing. I can borrow a fidget toy while I wait. When it is time to begin, we will sing the “Hello” song.
The librarians will read books and sing songs.

During the storytime, the librarians will read books and sign songs. I try to listen while the librarians read.

We will also play a hiding game on the felt board.

Sometimes we dance with egg shakers, bells, or scarves.
It is time for our “Goodbye” song.

At the end of storytime we will sing a “goodbye” song. Next, I get to choose a sticker!

I had fun at storytime!
